We understand that driving to and from school and parking on the Life Way Christian School campus is both a privilege and a safety issue. Once on the campus, we understand that any breach of the established safety procedures can result in termination of the student's privilege to park on the campus. We also understand that Life Way Christian School is not liable for any damage to the vehicle or any damage caused by the vehicle coming to, parked on the campus or returning home from the campus.

1. All student's cars must be parked in the lot adjacent to the parsonage.
2. Once the vehicle is parked students must exit the vehicle and enter the building. Students may not remain in the vehicle once it is parked on campus.
3. Students may not return to the vehicle during the school day without administrative approval.
4. No student is allowed to ride to or from school, with the approved driver, other than those listed on this form.
